- 1. A special use permit is required for all public assembly or special events; sporting activities; weddings; corporate gatherings, and use of a reserved area.**
- 2. When the use requires management to prevent impairment or derogation to the resources or a significant disruption of normal visitor or Agency use, a permit is required.**
- 3. A permit is required for distribution of literature.**
- 4. Mandated by P.L. 106-206, allows the Secretaries of the Interior and Agriculture to establish a fee system for use of park lands under their jurisdiction. - 5. An application for a permit follows and requires a \$100 administrative fee made payable to the National Park Service for processing. If time is critical, you may fax your application and follow with your check in the mail.**
